FRIDAY EVENING, OCTOBER 1.

A FORTUNE LOST.—One of the best known citizens of New York has lost his entire fortune through the Anti-Jewish agitation. Having confided his secret to an eminent Jewish banker, one of his friends, a determined Jew however, remonstrated with him and persuaded him that a Christian, the principal of Christian charity compelled him to return the members of his own faith. In consequence he notified his banker of his intention to withdraw his money. The latter, without informing the ordinary with his name, immediately returned the capital due to the depositor. The same day the owner deposited the sum thus withdrawn with a Christian banker. A fortnight afterward the latter failed for a large sum, and the depositor, who had paid the penalty of his Anti-Semitism.

The newly elected Senator from Rhode Island, Nelson W. Aldrich, is stated, on the authority of the New York Tribune, to have entered the city of Providence in the same modest manner that the illustrious Whittington, entered London—on foot, and with his clothes hung over his back. Being a bright, active youth, he soon procured employment in a wholesale grocery house. But with a genius superior to his station, he rose in life, till he is now the head of one of the largest firms in the State, and holds the high position of United States Senator. Mr. Aldrich is not quite forty years old. He is married, and has four children.

FAIRFAX COUNTY CIDER VINEGAR, 3 years old. The best and most reliable for PICKLES, Sauerkraut, &c. GRO. MCKENNEY & SON, Newmarket.
